PROJECT PORTFOLIO

MAHALLATI

INTERIOR DESIGN

Mahallati is a company for furniture needs, interior design and 3D ideas for your property. We have accomplished many projects for Hotel, Villa, Beach Club, Restaurant and Private Residential.

We also serves for end user, retail and wholesale customers with wide and diverse top quality Indonesian furnishings and products. Our products present a diverse collection of classic and temporary-styled indoor and outdoor furniture, designed and created by our factory in Java to meticulous and exacting standards.

Our products are exported to chain resellers, hotels and direct customers in over 40 countries.

Innovation and creativity has always been a priority in the design and manufacture of our products, keeping in step with global trends and anticipating future market trends.

Our mission is to capitalize our experience in the industry, combined with our strong foundation and knowledge of the furniture export business, to efficiently deliver premium, high quality, competitively priced products from Indonesia to the international market, with the highest levels of customer service standards.

With this we represent you our Project Portfolio which we have done.

Enjoy
